

Certificate of Collaboration

This is to certify that Qianqian Zhang (ID Number: 14232219990601040), has been selected by the National Space Science Center, Chinese Academy of Sciences for a collaboration with the International Space Science Institute of Beijing.

The collaboration spanned from June 24 to June 25, 2024, in which Qianqian Zhang assisted and participated in the organization of the International Space Science Institute of Beijing's Forum on "Toward Detection of Earth-like Planets in the Universe". The venue for the Forum was Saturn Hall (Room A0418), on the fourth floor of the National Space Science Center, Chinese Academy of Sciences, in Zhongguancun district.

During the collaboration, Qianqian Zhang demonstrated a proactive work ethic and exceptional team spirit. She actively engaged in the advancement of the projects, the development of international collaboration, and the organization of international conferences. She gained comprehensive insight into the practical progression of scientific projects and collaborated effectively with distinguished researchers in the field of space science. Her performance has been widely recognized and commended.

Upon concluding the collaboration, we are issuing this certificate of outstanding participation as a commendation for her exemplary performance.
