Certificate of Internship

This is to certificate that, Qianqian Zhang (ID Number: 19990609), has following the personal application and interview procedures, was selected to an internship program at the Office of the International Meridian Circle Project, National Space Science Center, Chinese Academy of Sciences.

The program spanned from the 12st of September, 2023 to the 22th of September, 2023. The scope of the internship encompassed participation and assistance in organizing the International Meridian Circle Program Workshop/Yanqi Youth Forum, and the 'Belt and Road' International Space Weather School. The venue for the internship was the headquarters of the International Meridian Circle Project, situated within Huairou Science City.

During the internship program, Qianqian Zhang demonstrated a proactive work ethic and exceptional team spirit. She actively engaged in the advancement of projects, the development of international collaborations, and the organization of international conferences. She gained comprehensive insight into the practical progression of scientific projects and collaborated effectively with distinguished researchers in the field of space science. Her performance has been widely recognized and commended.

Upon concluding the internship, we are issuing this certificate of outstanding internship as a commendation for her exemplary performance during the tenure.
